When: Thursday, May 7
Time: 6:30pm
Event is going to be at the
YAA Building on Douglas.
Room for 24 People.
Additional details will be
added to the website
closer to the event!

TASTE AND TOUR

When: Saturday, June 13 Details will be added to the website closer to the event!

Heartland Humane Society

served over plans to serve more than

plans to serve more the

600 animals by 2016

Without Heartland Humane Society, those animals would be HOMELESS.

Q&A With Heartland Humane Society (HHS)

Pictured: (L) Christa Krani, Shelter Coordinator and (R) Janette Kaddatz, Senior Staff Q - Where do your animals come

A - We try to help the homeless, abused,

neglected, and stray animals of the area. Some are surrendered by their owners, some are found wandering or lost. We also have received

unwanted puppies or kitties from owners that did not spay/neuter their own pet, and unfortunately, entire litters have been found on other people's properties or

dumped in ditches.

Q - What happens if a sick animal arrives at HHS?

A - All of the animals that arrive at HHS are seen by local veterinarians and

provided with necessary care, vaccinations and spayed or neutered. All adoptions include de-

worming, nail trims, micro-chipping with international registration, flea treatment,

fourteen-day medical exchange policy, free general health exam at participating vet offices and an owner pet guide.

Q - What if I am looking for a pet other than a cat or dog?

A - We often have a variety of different animals available for adoption, such as guinea pigs, rabbits, ferrets, even chinchillas and birds!

Q - How do I start the adoption process?

A - The first step is filling out an application, found online, via email or at the shelter. After reviewing the application we will help make the best choice possible to ensure the animal's health, safety and happiness. We also want the adopters to make an informed choice and adopt an animal that is the best fit for their

family.

Q - *Do you have Adoption Fees?*A - Yes, Adoption Fees help offset the costs of the animal's food, shelter, and medical expenses while under our care.

UPDATE ON ASIA

Asia was found abandoned, along with her litter of puppies on Feb. 27. Asia is now healthy, as are her 6 puppies, who just turned five weeks old. They are growing fast, and will be ready for adoption April 24. Those interested in adopting Asia or any of her pups may meet them after April 1 by appointment only. Asia and her puppies are in need of soft puppy food, as they are going to be weaned soon. Donations can be dropped off at the facility.

Find HHS at www.heartlandhumanesociety.net, facebook and twitter.

Q - How can I help?
A - With hundreds of animals in our care per year our volunteers, donors and supporters are vital to the success and growth of HHS. Whether it's knitting blankets for shelter cats, assisting with events, volunteering at the shelter, fostering a pet, or making a

cash donation, we welcome and encourage you to get involved and make a difference in the life of a deserving animal. As a non-profit we rely 100% on private donations. We generate funds through your generous contributions, adoption fees, events and sales of merchandise and services. All funds collected go directly back to the general budget to care for our animals.
