

Start Planning your Gardens to Exhibit at the SD State Fair

HURON, S.D. Whether you plant early and protect your plants or wait until there will surely be no more frost, consider planning and planting to enter your vegetables in this year's horticulture exhibit classes at the State Fair. There are new categories to consider.

Did you plant some garlic in the fall or are you planning onions this spring? Try a braided garlic, onion rope or a pepper ristra as an exhibit. There are also plant classes for tomatoes and peppers. A new class for the first year exhibitor will also be offered.

Exhibiting agricultural grains, seeds, plants, bundles and bales is also an option. Do you still have some good quality corn in your grain bin? Save two quarts to enter. Cash prizes will be awarded in several divisions.

The Horticulture and Agriculture premium book, as well as the other static entry books, can be found online at www.sdstatefair.com under the competitive events tab

and static link. To enter your exhibits, fill out the entry form and return it to the State Fair Office prior to July 31. Agriculture entries must be grown by exhibitors during the 2014 or 2015 season.

The 2015 South Dakota State Fair will run from Thursday, Sept. 3, through Monday, Sept. 7. Channel Seeds preview night will be Wednesday, Sept. 2. This year's theme is "Sew it. Grow it. Show it." For more information on State Fair events, contact the Fair office at 800-529-0900, visit www.sdstatefair.com or find them on Facebook or Twitter.

Agriculture is South Dakota's No. 1 industry, generating \$25.6 billion in annual economic activity and employing over 115,000 South Dakotans. The South Dakota Department of Agriculture's mission is to promote, protect, preserve and improve this industry for today and tomorrow. Visit us online at <http://sdda.sd.gov> or find us on Facebook and Twitter.
