Brandi's passion is living life to the fullest – especially when it comes to riding dirt bikes with her family. So when her lower back pain caused by degeneration disease became unbearable, pit stops weren't an option. That's why she came here, to Lewis & Clark Specialty Hospital, where Dr. Sossan specializes in spinal care.

Within a few months after Brandi's surgery, she was back tearing it up on the straightaway. And we love that she's able to do it.

Discover why Lewis & Clark Specialty Hospital is the right choice for you, visit lewisandclarkspecialty.com.
