

Saturday and Sunday for the South Dakota State Riverboat Days Arm Wrestling Championships.

Heartland Arm-wrestling, Inc. is headquartered in Omaha, Neb., and guided by Mary McConnaughey. The sport continues to thrive by the promotions of elite athletes, novice, teen, and kids divisions... there is a category for everyone!

Beautiful awards will be given for first, second, and third places in all divisions, with all children and teens receiving an award. So whether you just want to observe some great strong arms pulling or test your strength against some of the strongest, you will enjoy this feature! Weigh in begins at 11:30 a.m. Saturday and the competition begins at 1 p.m.

Dakota District Pipes and Drums

This year Yankton's very own John Brady and his daughter Katie will be representing the Dakota District Pipes and Drums at Riverboat Days.

John has played the great highland bagpipes for 14 years. He is a family practice physician at the Yankton Medical Clinic. Katie has played for 4 years and will be attending the University of Minnesota this fall to study bio-products engineering.

They both play with the Dakota District Pipes and Drums (Sioux Falls) and have competed in solo contests in Winnipeg, Kansas City, Milwaukee and Minneapolis.

Check them out at the amphitheatre at 2 p.m. on Saturday.

Discovery Movement Theatre

Discovery Movement Theatre's mime shows are fast-paced, colorful, fun and easily accessible. Versatile and creative, they are a perfect fit for anything from festivals and fairs to formal theatres.

Brian and Mary began as a mime duo in 1981 at the University of South Dakota where they were both studying theatre. Mary was a gymnast, athlete and actor; Brian was a fencer, mime and vaudevillian. They immediately began creating together, fell in love and have been two halves of the same apple ever since. They have performed thousands of times in venues ranging from plush formal theatres to mud-soaked parks and cow-pie laden fields.

Come and enjoy this talented duo at 3 p.m. Saturday at the amphitheatre.
