SURGERY

GENERATIONS OF TRUST

“Our choice was here.”

When Luke needed surgery
for his ears and adnoid, Mom
Katie Feimer, wanted to be at

a place equipped
to handle any
problem no matter

how remote the possibility and
she didn't want to travel to find
that kind of expertise. Knowing

Avera Sacred Heart Hospital Surgical Center is

backed by a full-service hospital
and it's just down the road in
Yankton made her decision
an easy one.
