

Design it to make it 'home'

Hatch Furniture & Flooring is locally owned and family operated by Ron & Sheane Hatch. We have been servicing the Yankton area since 1903 and our focus is helping you create the home of your dreams.

Hatch Furniture & Flooring is a member of Furniture First the largest buying group in the United States, giving us the ability to pass on great savings to our customers.

We understand you want a warm & inviting home, not just a house. We have an extensive collection of fabrics, leathers and wood samples to create the custom look you desire. All of the furniture in our 40,000-square-foot showroom is in stock and ready for delivery.

If you still don't find exactly what you are looking for, one of our professionally trained design consultants will be happy to assist you. You'll find that our friendly, professional design consultants will make you feel as welcome and comfortable in our store as you want guests to be in your home.

Our design consultants will be happy to assist you in creating the look you desire. Whether you wish to add a single piece to an existing room setting or totally re-design an entire room (or an entire house), we can work with you to coordinate your new furniture, accessories, paint colors and flooring & window treatment selections.

You can shop with confidence at Hatch's because we

guarantee the excellent quality, prices, and service our company has provided local families for over 100 years.

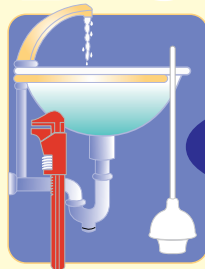

Our newest addition to our showroom is our Flexsteel Gallery featuring 18 fabric & leather groups. Hatch Furniture Your Home's Best Friend.
