

# Marble adds a touch of elegance

Midwest Custom Marble manufactures kitchen countertops of solid surface or natural granite and bath vanity tops, whirlpool surrounds, shower bases, surrounds of cultured marble or solid surface. All products have unlimited color selections, and edge styles.

We have been in the countertop business since 2000, and before that we did custom home building and we are family owned. Midwest Custom Marble designs, manufactures, fabricates and installs all the products we make, to insure the customer gets the best product, best price, and by stalling our products, the customer gets the best final project. We pride ourselves on quality, product detail, and customer satisfaction.

We are located at 3rd and Mulberry Street in Yankton and share space with the other family business, Scrapbook Supplies.

Midwest Custom Marble is known for custom shower pans and surrounds, we also do window sills, fireplace hearth and surrounds, bar tops and tub surrounds. For personal service call 661-9271 or 668-0765, or stop at our showroom anytime Monday through Saturday, 9:00 a.m.-5:00 p.m. [www.midwestcustommarble.com](http://www.midwestcustommarble.com).
