

Spas, pools add luxury, convenience

Leisure World, Inc. has been a leader in the spa and pool industry since 1982, in South Dakota and Nebraska. We have top factory trained service men in each store, with combined experience of 27 years. Leisure World's owner, Terry Halvorson, is a second generation owner, keeping the family business alive with the same quality and service.

Leisure World, Inc. carries top class brands of hot tubs from Hot Spring, above ground pools and fiberglass in ground pools by San Juan. Each of these products is of very high quality and is guaranteed to bring you years of enjoyment.

Leisure World, Inc. is much honored to have received many awards from Hot Springs for sales and service. So, stop in and see our showrooms in Yankton, SD and Norfolk, NE. We have sales people who are always willing to go out of their way to help you with anything you could possibly need.
