# Put Your Coffee Cup Right Here!

## Now try turning the page.

Don't you wish your advertising could stop consumers that effectively? Let's face it, most of the time it gets lost in the shuffle.

It takes a certain ingenuity to stand out in a crowd. You've got to be provocative. Unpredictable. A little smarter than the next guy - and you've got to have a real feel for the medium you're working in.

We put those talents to work for advertisers every week - and at no extra cost. It works for them. And you'll have to admit, it just worked for you!
