SURGERY

GENERATIONS OF TRUST

“Our choice was here.”

When Luke needed surgery for his ears and adnoid, Mom Katie Feimer, wanted to be at

a place equipped to handle any problem no matter

how remote the possibility and she didn't want to travel to find that kind of expertise. Knowing

Avera Sacred Heart Hospital Surgical Center is

backed by a full-service hospital and it's just down the road in Yankton made her decision an easy one.
