Does this sound like your New Year's resolution?
This year I want to find a job that:

- Makes a difference in the world.
- Pays enough so that I can stop working day and night at two minimum wage jobs.
- Rewards me for my contributions to a successful team.
- Provides me with a solid benefits package "just in case."
- Enables me to spend time with my family at night and on weekends.
- Can lead to additional growth and provide development opportunities.

Several new positions have been created on our farms. Learn more about the Pig Health Specialist role on our website: www.christensenfarms.com

Wish lists aren't just for Christmas. Ring in the New Year with a new job.
Work. Life. Balance.
