a Proud Salute to our community Guardians

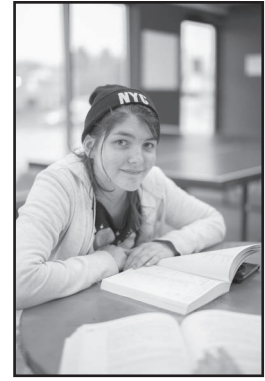

Boys & Girls Club of Yankton

The Boys & Girls Club of Yankton currently serves more than 600 members pre K- 12th grade. We recognize the need for our organization and aim to provide a safe, affordable and positive environment parents can take their children. In order to continue to serve hundreds of youth every day and help them realize their potential as productive, responsible and caring citizens it is essential that we financially partner with partners in the community including individuals, businesses, and service organizations. Together, we are able to provide hope and opportunity accessible to all children in Yankton. The Boys & Girls Club of Yankton is currently running a Capital Campaign to raise funds to build a 26,000 square foot facility that will allow for a traditional club site for youth 1-12th grade with a membership of \$25 per year. This will enable us to serve more youth in Yankton and will be located north of Yankton Middle School. The campaign is 75% to goal with a 4 million dollar capital goal and 3 million dollar endowment goal. We are so grateful for those investing in the youth of our community!
