Wander through this heavily timbered 70 acre parcel offered for sale at auction. Only 5 minutes from I-29, 30 minutes from Sioux City and 45 minutes from Sioux Falls. *This land offers some of the best white tailed deer hunting you will experience in southeast South Dakota. The natural contour of the land, The abundance of water, and cover draws wild life to this parcel like nature's highway. There has been a record Boon-Crocket harvest and also Pope and Young for the bow hunter. White Tail is only one of the many animals that can be found in this wildlife utopia. Besides deer, game cameras have shown bobcat, turkey, pheasants, quail and an extensive list of critters that call this vista home.*
