

United Way

Creating Good Citizens One Meal At A Time

The mission of the Boys & Girls Club is to inspire and enable all young people, especially those who need us most to realize their full potential as caring, responsible and productive citizens. And, that is exactly what is happening at the Boys & Girls Club of Yankton this summer.

At the Traditional Unit, which serves sixth- through 12th-grade members, new programs are being introduced to kick off the summer programming. All of the Boys & Girls Club programming is based on three Priority Outcomes: Academic Success, Good Character & Leadership, and Healthy Lifestyles. With membership being only \$25 a year for our youth, the Traditional Unit is a safe, productive environment where all youth can come and grow.

The diversity of programming at the Traditional Unit appeals to a wide variety of our members, with everything from Fishing Club to Positive Sprouts Gardening being offered. One of the favorite programs of the Club members at the Traditional Unit is the Master Chef Program.

Master Chef, part of the Healthy Lifestyle Outcome, is a three-month program that provides an overview of

cooking and healthy eating habits to youth. With collaboration from Hy-Vee's dietician and the Club's trained staff, youth are taught the basics of following a recipe, health facts, measuring ingredients, eating together and are encouraged to bring in their own recipes to try cooking.

Emma Wagner, Traditional Unit Coordinator, says, "The Master Chef program was an impactful experience where members had

the opportunity to learn about cooking techniques as well as the nutritional facts of the foods that they eat every day. My goal was teach them details about cooking and food that they had not previously known or thought about in a fun and safe environment."

More than 650 youth in Yankton at the Traditional Unit and the Academy are making strides towards realizing their full potential and becoming productive, caring

and responsible citizens and Master Chef is just one of the ways that is possible. The community of Yankton and the support of United Way are a huge part of that transformation. The Boys & Girls Club is grateful to have great partners that invest in the youth of the community, the most valuable resource.

The Traditional Unit is open Monday, Tuesday, and Thursday from 7:30 a.m. to 6 p.m.; Wednesday from 10 a.m. to 8 p.m.; and Friday from 10:30 a.m. to 10 p.m.

For more information on the Boys & Girls Club of Yankton or to get involved with the Club, call 605-692-3333 or visit www.greatfuture.org.

Registration for Garden Educator Workshops

BROOKINGS, S.D. - This summer, SDSU Extension is hosting Garden Educator Workshops for teachers and other youth educators in Rapid City and Sioux Falls.

"This training will provide hands-on lesson plan ideas and nutrition resources for the garden, information on growing vegetables, tools for evaluation of garden programs, and stories from area garden projects," said Chris Zdorovtsov, SDSU Extension Community Development Field Specialist.

The program is designed for PreK through middle school teachers, after-school program leaders, school administrators, garden-focused educators, Master Gardeners, and wellness committees.

Presenters will share lessons that feature specific fruit and vegetable crops to enhance food and garden education programs. The class will participate in a hands-on activity involving produce preparation and discuss resources available to promote children's consumption of fruits and vegetables. Participants will identify tools to use for evaluating garden programs at their school or organization.

At each location, local educators will share their experiences and stories of developing and utilizing educational gardens. Rapid City participants will also learn about 'Roots & Shoots' and other garden-based education programs held on Pine Ridge. Sioux Falls participants will hear about how second graders were empowered to develop the Baltic School Community Garden.

Training dates and locations:

Rapid City - SDSU West River Ag Center, 1905 N. Plaza Drive

June 23, 2015 9:30 a.m. to 3:45 p.m. (MDT)

Sioux Falls - Sioux Falls Regional Extension Center, 2001 E. 8th St.

August 4, 2015 9:30 a.m. - 3:45 p.m. (CDT)

Registration

The cost of the training is \$25 per person and includes lunch and handouts. Pre-registration and payment is due prior to class. Registration for Rapid City is due June 19, and registration for Sioux Falls is due July 31. A partial Continuing Education Credit (.5 CEU) is also available for \$15.

Registration forms are available under the date of the event at iGrow.org/events. Completed registration forms should be emailed to Zdorovtsov at christina.zdorovtsov@sdstate.edu or printed and mailed to Chris Zdorovtsov, SDSU Extension, 2001 E. 8th St., Sioux Falls, SD 57103. For questions, contact Zdorovtsov, 605.782.3290 or by email.
