Yankton, SD

March is National Meals on Wheels Awareness Month. Volunteer opportunities are built around what you do and what you need. Whether you are an individual who is looking for a volunteer opportunity, a school or youth group that would like to work together, or a business that is looking to build or add to an already existing employee volunteer program, local Senior Meals locations need your help.

Meals-On-Wheels and other senior meal delivery or non-profit congregate meal programs provide meals to millions of seniors throughout the United States. Through such programs, seniors who could not or would not otherwise eat properly are provided with services that help them live a healthy and enjoyable life. *Without the help of these businesses we couldn't have made this possible.* If you would like to donate your time or money to the Yankton Area Meals on Wheels program please contact: Senior Citizen's Center, 665-4685.
