

Thank You!

March For Meals is a national campaign, initiated and sponsored by Meals On Wheels Association of America (MOWAA), to raise awareness of senior hunger and to encourage action on the part of the local community. Senior nutrition programs across the United States, like (Program name), promote March For Meals in their local communities through public events, partnerships with local businesses, volunteer recruitment and fundraising initiatives.

A major aspect of the 2011

March For Meals campaign is for Americans to team up with their local Meals On Wheels program and take the Pledge to end senior hunger in America by 2020. This national movement comes at a good time, as recent MOWAA research studies have revealed that the problem of senior hunger in America is indeed growing worse. Currently, one in nine seniors is at risk of hunger in the United States.

Meals-On-Wheels and other senior meal delivery or non-profit congregate meal programs provide meals to mil-

lions of seniors throughout the United States. Through such programs, seniors who could not or would not other-

wise eat properly are provided with services to help them live a healthy and enjoyable life. Without the help of these

businesses we couldn't have made this possible. If you would like to donate your time or money to the Yankton

Area Meals on Wheels program please contact: The Center at 665-4685.
