March For Meals is a national campaign, initiated and sponsored by Meals On Wheels Association of America (MOWAA), to raise awareness of senior hunger and to encourage action on the part of the local community. Senior nutrition programs across the United States, like The Center in Yantkon, promote March For Meals in their local communities through public events, partnerships with local businesses, volunteer recruitment and fundraising initiatives.
This year, Meals on Wheels programs across the contry are also celebrating the 40th

Anniversary of the inclusion of Senior Nutrition Programs in the Older Americans Act (OAA). The OAA is the primary piece of federal legislation that authorizes and supports vital nutrition services, both congregate and Meals on Wheels, to Americans age 60 and older. "Our Meals on Wheels programs are on the front lines every day in the battle against senior hunger," said MOWAA President and CEO Enid Borden. "March for Meals is a time when communities can come together to stand with their local Meals on Wheels and support our mission to end

senior hunger in America by the year 2020."
Meals-On-Wheels and other senior meal delivery or non-profit congregate meal programs provide meals to millions of seniors throughout the United States. Through such programs, seniors who could not or would not otherwise eat

properly are provided with services to help them live a healthy and enjoyable life. Without the help of these businesses we couldn't have made this possible. If you would like to donate your time or money to the Yankton Area Meals on Wheels program please contact: The Center at 665-4685.
