Don't you wish your advertising could stop consumers that effectively? Let's face it, most of the time it gets lost in the shuffle. It takes a certain ingenuity to stand out in a crowd. You've got to be provocative.

Unpredictable. A little smarter than the next guy – and you've got to have a real feel for the medium you're working in. We put those talents to work for advertisers every week – and at no extra cost. It works for them.

And you'll have to admit, it just worked for you!
