OIF/OEF VETERANS AND SOLDIERS NEEDED FOR RESEARCH
"Neural and Behavioral Correlates of PTSD and Alcohol Use"

If you have been deployed to Iraq or Afghanistan, are right-handed, and are between the ages of 18 and 45, and are not currently pregnant, you are being invited to participate in a research project about past experiences with stress and current behaviors. This study is being conducted by Drs. Gina Forster, Jeffrey Simons and Raluca Gaher at The University of South Dakota.

Participation in this study involves completing an interview and questionnaire with a research team member, which should take 3 hours or less. Your participation in this study is completely voluntary and your responses will be confidential.

You will be given \$100 for completing the initial interview and eligible participants will be invited to participate in a second study using magnetic resonance imaging (MRI) in which you will receive \$300. If you are active duty military, you will only be compensated for research participation if you are off duty.

If you are interested in this study, please contact Dawne Olson at 605-677-5170 or neurostudies@usd.edu for more information.
