

NATIONAL EMERGENCY MEDICAL SERVICES WEEK

May 20-26, 2012

National Emergency Medical Services Week is a time set aside each year to recognize the dedication of your local Emergency Medical Technicians and First Responders.

Yankton County Emergency Medical Services employs six full-time Paramedics, one full-time billing specialist, 25 part-time EMT's, and a part-time medical director. Two of

our ambulances are each staffed with two employees 24 hours every day, ready to respond whenever the call comes in. Our fleet consists of five ambulances, one Advanced Life Support response vehicle, one mass casualty response truck, and a six wheel all-terrain vehicle. First Responders in area towns including Lesterville, Irene, Volin,

Gayville, Wakonda and the Lewis & Clark Lake Area respond to their assigned regions to care for patients until the ambulance arrives, while trained First Responders on the Yankton County Search & Rescue team occasionally get called out to assist ambulance personnel in and near Yankton. This network of trained EMS providers assures that

the highest quality of care will always be provided to those in need of help.
