

Something For Everyone at Dairy Fest

BROOKINGS, S.D. - Area dairy producers invite you to enjoy free family events during the second Annual Dairy Fest Celebration held in Brookings at the Swiftel Center June 5-6, 2015.

Dairy Fest is an annual event put on by dairy producers, processors and industry leaders to bring the community together to celebrate the dairy industry. This two-day event provides something for everyone, from youth to adults and will prove an opportunity to learn about all aspects of the dairy industry.

Dairy Fest Youth Carnival Festivities kick off at 10 a.m. Friday June 5 with a carnival for youth groups to attend. The carnival is open until 2 p.m. Groups are requested to pre-register for this day of the carnival. Group registrations will be taken on a first come, first serve basis, attendance is limited to 225. Contact Tracy Erickson at 605.882.5140 or email for the Dairy Fest Youth Carnival Group registration information.

Saturday, June 6 the Dairy Fest Youth Carnival opens up to the general public for attendance. Phil Baker will perform at 9 am and 11 am. The SD Dairy Princess will also be on hand to greet attendees. Youth and adults will rotate between carnival stations in a FUN environment learning about the dairy industry, starting at the farm all the way to the consumption of dairy products. This carnival is made up of several hands-on "myth busters" style learning stations set up throughout the Swiftel Center.

Stations will provide a wide range of activities from cheese making to feeding a baby calf. These activities are designed for youth between the ages of 5 and 14. Cow to Cup 5K

Saturday June 6 begins with the second annual Cow to Cup 5K race a 7 a.m.

Runners will be able to refuel with a free bottle of chocolate milk following the race. Funds from the race will go to South Dakota Ag in the Classroom and the SDSU Dairy Club.

The preregistration cost is \$25 which includes a t-shirt. Registration the day of the event is \$35. To register visit the All Sports Central website.

Dairy Farm and Dairy Plant Tours
Another great opportunity on Saturday is a free bus tour of Hilltop Dairy. A modern dairy farm, just outside Brookings, these tours will take place from 9 a.m. and noon. Tour buses leave from the Swiftel Center in Brookings.

Besides the tour of Hilltop Dairy, the bus tour also includes an exclusive, behind the scenes tour of the South Dakota State University Davis Dairy Plant where the famous ice cream is made.

Know Your Neighbor Open Forum
Have you ever had questions that you would like to ask a dairy farmer? Beginning at 10:30 a.m. June 6 the Know Your Neighbor open forum will take place.

All community members are encouraged to attend and ask questions to the dairy community and dairy farming neighbors. A free luncheon is open to the public following the forum.

This event is designed so attendees can go home knowing more about their dairy neighbors.

"As dairy farmers we enjoy the opportunity to share our dairy farming story, which is exactly what Dairy Fest is all about. We like to let people know how well cows are cared for," said

Nicolien Hammink, an area dairy producer and Dairy Fest committee member.

For more information about Dairy Fest, please contact Dairy Fest Committee Chair, Darrel Rennich at 605.695.3676.

Groundbreaking for State Fairgrounds' New 4-H Exhibit Hall on Wednesday, May 27

HURON, S.D.-With the help of many volunteers and donors, the day has come!

A groundbreaking ceremony for the Nordby Exhibit Hall for 4-H, Youth, and Community will take place at 9 a.m. CDT on Wednesday, May 27, at the State Fairgrounds in Huron at the National Guard Armory located at 1030 3rd St. SW, next to the new building's site. Lt. Gov. Matt Michels will be among those addressing the attendees. The public is invited to attend.

Over the past several months, the South Dakota State Fair Foundation has been carrying out a capital campaign for the exhibit hall, which will be a statewide home for South Dakota 4-H; something not currently available for 4-H members. The building will be constructed on the site that once featured Clover Hall.

When built, the 48,000 square-foot Nordby Exhibit Hall for 4-H, Youth, and Community will feature more than 30,000 square feet of exhibit space, multiple classrooms, a large kitchen for 4-H Special Foods competitions, and a performance stage for the many 4-H activities that will take place there year-round. Community and regional events will take place in this building throughout the year as well.

4-H is the largest youth development organization in the nation. Through hands-on experience, 4-H members learn elements of responsibility, community service, teamwork, organization, project management, public speaking, parliamentary procedure, judging, animal stewardship, fundraising, mentoring younger children and a number of other specific skills. 4-H has prepared many South Dakotans to meet challenges in their communities.

To date, the South Dakota State Fair Foundation has raised nearly \$3.9 million of its \$4.7 million goal. Those interested in supporting the Capital Campaign are invited to contact the State Fair Foundation at 605-274-3370 or visit www.sdstatefairfoundation.com.

Agriculture is South Dakota's No. 1 industry, generating over \$25.6 billion in annual economic activity and employing more than 115,000 South Dakotans. The South Dakota Department of Agriculture's mission is to promote, protect, preserve and improve this industry for today and tomorrow. Visit us online at <http://sdda.sd.gov> or find us on Facebook and Twitter.
