ATTENTION VOTERS OF YANKTON COUNTY

Serious Concerns About Tom Fiedler

My neighbors and I have attended and participated in several Planning Commission and County Commission meetings while Tom Fiedler was the Yankton County Planning Administrator. We feel that he did not do his job well. He was also rude and short-tempered.

His first mistake was issuing a Building Permit to allow an "Old Home Bread" semi-trailer to be permanently parked in a backyard and used as a storage shed. The area is zoned Residential. We appealed to the County Commission – they agreed that the semi-trailer was in violation of the zoning laws. Tom made the Mistake – now several thousand dollars of Taxpayers money has been spent to eliminate the problem.

Tom – you made the mistake – you should pay the costs.

Tom's second mistake was treating us so rudely – not how a County employee should behave – and now Tom wants to be a County Commissioner??

Wrong!! Stay retired Tom –

Vote NO on Tom!!
