APPLIED ENGINEERING, INC.
MULTIPLE CAREER OPPORTUNITIES AVAILABLE

Manufacturing Engineer: Develops and implements cost-effective manufacturing processes in support of customer requirements and quality standards. Responsibilities include supporting production/quality operations, and project management. This position develops tools, techniques, and systems to drive effective utilization of resources with focus on continuous improvement.

Electromechanical Technician: The EM Tech conducts, maintains, tests and repairs electrical/electronic, mechanical, hydraulic, and pneumatic systems and components. The position applies knowledge of electrical/electronic and mechanical principles in determining equipment malfunctions and applies skills in restoring equipment to operation. The EM Tech provides skilled mechanical and electrical/electronic support to all areas of manufacturing.

Quality Technician-In Process Inspector: plays an essential role in our business verifying product conformance to the customers' dimensional criteria. This position also interacts with our internal customers to provide guidance on external customers' requirements. This individual is a proven performer with high attention to detail and possesses strong organizational skills while taking direction from several different functions.

CNC Loader Level II: part of the manufacturing team and will assist with the loading and unloading of CNC machines. The position requires an individual to efficiently load material and keep their responsible machines running at all times with the ability to understand basic quality measuring devices and blueprints. This individual will also be expected to have good communication skills and work as an integral part in a team environment.

Drill and Deburr: part of the finishing team and will deburr customer products using a wide array of procedures and tooling. This individual must have the ability to deburr simple to complex components, follow work instructions, understand basic prints, and use measuring devices.

For more information on the position or to receive an electronic application, e-mail Bridget Benson; Bridget.Benson@appliedeng.com. No phone calls, please.
